DOMINION ORDERS IN COUNCIL.

[3141]

NOTICE.

Certified Copy of a Report of the Committee of the Privy Council, approved by His Excellency the Governor-General, on the 31st day of August, 1921.

THE Committee of the Privy Council have had before them a Joint Report, dated August 25th, 1921, from the Minister of Militia and Defence and the Minister of the Interior, submitting that the Old Ordnance Reserve at Vancouver, B.C., known as "Stanley Park," is, at the present time, under the control of the Department of Militia and Defence.

The Ministers state that it is, however, considered desirable that insofar as the mining rights with this respect to this property are concerned, the same should be controlled and administered by the Department of the Interior in the same manner as other mining rights are administered by the said Department, and they therefore recommend accordingly.

The Committee concur in the foregoing recommendation and submit the same for approval.

Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.
